

SOLERO PATIO

300X300 CM

Are you looking for a great quality design parasol for an affordable price? The Solero Patio parasol is the best choice around, showing that a sleek design can be very attractive.

This design parasol has a solid frame with a powder coated pole that has a 50mm diameter. Of course you can choose from a wide range of trendy fade-resistant cloth colors.

This square parasol is handled just as easy as our other models. The Patio forms a perfect protection from the sun for the hospitality industry. No doubt about it, this is a true eye-catcher, especially when combined with the Solero Accento click-on lighting.

The Patio parasol cloth is kept tight in a beautiful way by its integrated rib ends.

The special Solero O'Bravia sunshade canvas is made of durable, heavy quality and is also colorfast. Blue remains a deep blue and doesn't fade after two seasons. The sunshade canvas keeps its tension through the tensioners in the ribs. The Patio is delivered with a free protective cover and can be placed with a pedestal or a ground anchor.

A real eye catcher, especially combined with the Solero Accento click-on lighting. A sunshade you'll enjoy for years to come!
